NEW IN DAY60 FOR CHROME

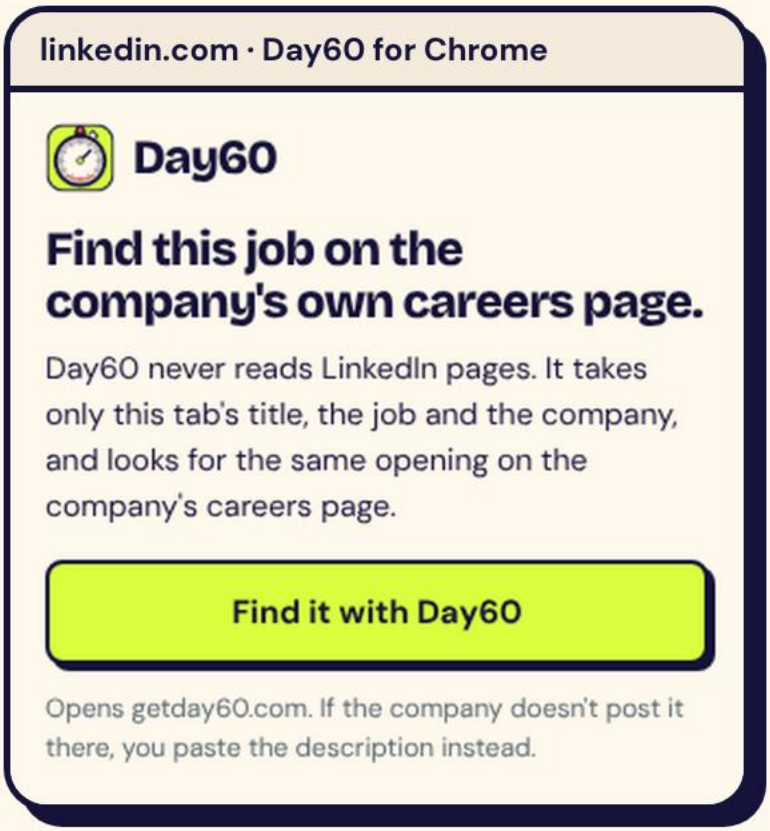

Found it on LinkedIn?
Take it to Day60.

Two new buttons for LinkedIn.
One for a job, one for a person.

Swipe →

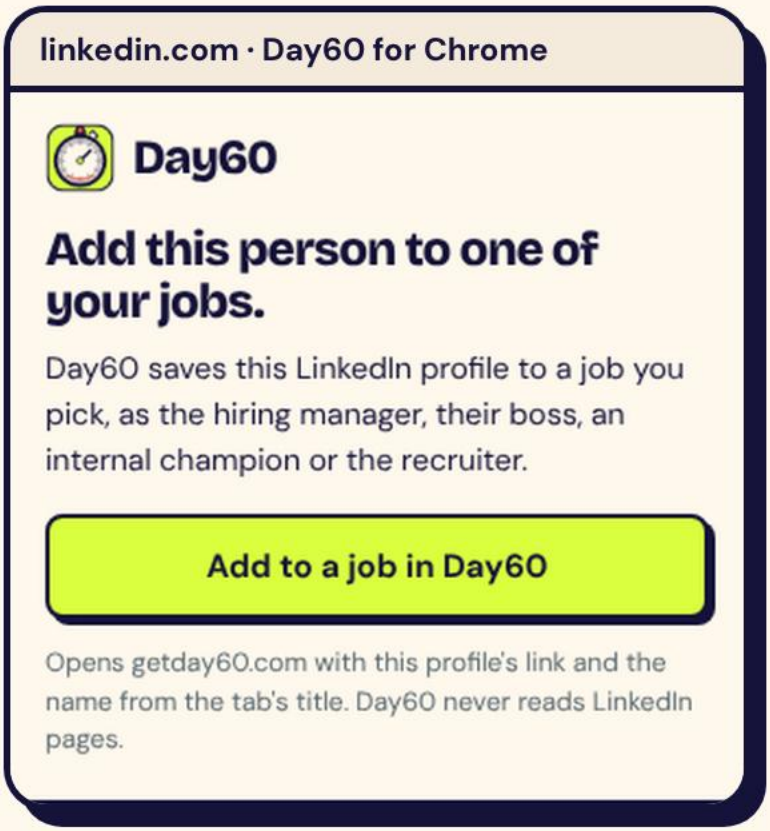

01 On a LinkedIn job, press “Find it with Day60”.

It looks for the same job on the company's own careers page. Not posted there? You paste the description.

02 On a LinkedIn profile, press “Add to a job in Day60”.

Pick the job. Pick their role: hiring manager, their boss, champion or recruiter.

PLAIN ANSWERS

What it never does.

- Read LinkedIn pages
- Fill in forms or apply
- Send messages for you

On LinkedIn it uses only the tab's address and title, and only when you press its button.

You send every message.
