Every job has 4 people who decide if you get it.

Most applicants reach one of them. Through a form.

01

The hiring manager

Owns the problem you'd solve.

HOW TO REACH THEM

Lead with what their team needs this quarter. Not your passion.

02

Their boss

Owns the budget and the headcount.

HOW TO REACH THEM

Almost no candidate writes to them. One clear line about results stands out.

03

The internal champion

A future teammate who can say “talk to this person.”

HOW TO REACH THEM

Ask a sharp question about their work. Don't ask for a job.

04

The recruiter

Runs the process.

HOW TO REACH THEM

Make yourself easy to say yes to: the role, why you fit, in two lines.

Paste a job link. Get your 4 people.

Day60 helps you identify them, finds their verified work emails and drafts your first note. You send it. Free.
